Dear Students,

Greetings from BVDU CDOE!!!

It has been observed that some of the students haven't submitted their examination form yet. The students, those who haven't submitted their examination form, are instructed to submit the same by 10/01/2022. BVDU CDOE informs the students, that student will not be allowed to appear for examination if examination form is not submitted. Your selection of open course and specialization subject (in case of MBA Sem III and IV) will be used to generate the hall ticket and examination will be conducted accordingly. Hence you are supposed to fill the form carefully. Once the examination form is filled, the request for change in open course or specialization will not be considered.

Instructions for filling examination form:

1. Login to the portal https://bharativedyapeethonline.com/online/student_login with the individual credentials.
2. Click on a "Fill Exam Form" button.
3. View the personal details and core subjects. Opt for open course and specializations. Your backlog subjects will be added automatically. Confirm the selection, before submitting the form, as the form can be submitted only once and after submission, changes are not possible.
4. Submit the form.

BVDU CDOE,
Pune
