Subject: Regarding Academic Bank of credits (ABC) ID Generation

Dear Students,

It's been observed that many students have still not generated their "Academic Bank of Credits" (ABC) ID. **Please take a note that it's mandatory from the exam form filling perspective to have ABC Id.** The (ABC) ID registration on the LMS portal is extended till 29th January 2023 Mid Night.

Please follow the guidelines and process from the previous notices uploaded on the website.

Those students who have not linked their Aadhar card with Mobile No. should do it as soon as possible. Then only they will be able to generate ABC ID.

Those who have already done the registration should ignore the message.

PS: This is currently applicable only to Indian National Students!

Thank you!

Support Team BV(DU), CDOE
