IMPORTANT NOTICE
MCA PROGRAM CONTINUATION FORM

Dear Learners,

This is to inform you that the Programme Continuation Form for ***Winter 2026 Examination*** is **live till Sunday, 22nd November 2026,** on the LMS Portal **only for those learners** who ***have fulfilled the following requirements:***

1. If you have **not submitted** the previous Examination Exam Form, i.e. Summer 2026 examination
2. All eligibility requirements are completely fulfilled.
3. Tuition fees up to the current semester are fully paid (no pending dues).
4. Admission forms for the second year and third year have been submitted successfully.
5. All backlog examination fees for previous exams have been cleared.

Learners who **fail to fulfill** any of the above-mentioned requirements will **not** have their Programme Continuation Form enabled or processed.

Further, if the **Programme Continuation Form is accepted**, the learner's examination form will be submitted by the office. In such cases, Learners are **not required to submit the examination form separately**.

Important Note:

1. **The payment link for backlog examination fees (if applicable)** will be shared separately. Learners are advised to complete the payment before the prescribed deadline. Failure to do so may result in the deletion/cancellation of the examination form.

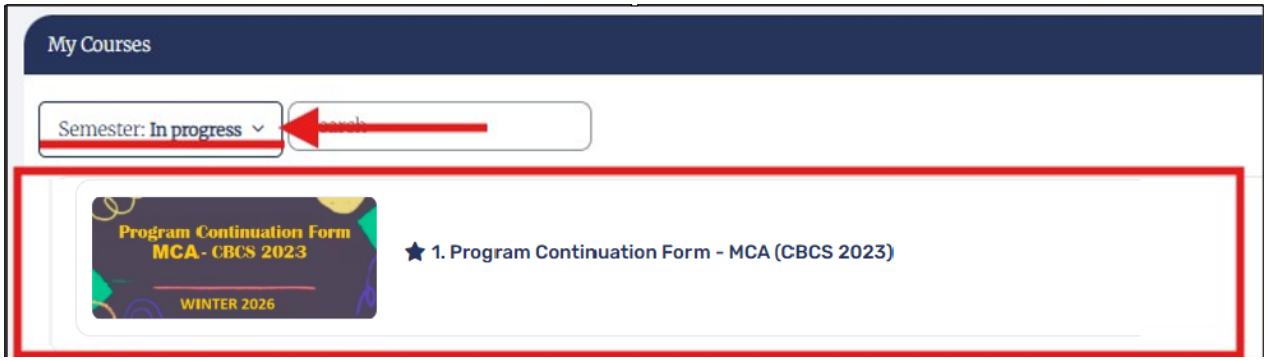

2. **Ideally,** learners appear for two semesters (the missed semester and the current semester along with their batch), excluding backlog subjects.
   If a learner **is eligible to** appear for more than two semesters (excluding backlogs), they must ensure that all dues and assignments are cleared. **Additionally,** the learner must send an email confirming their intention to appear for more than two semesters. Permission to appear will be granted only after approval from the Examination Department

3. **Internal assessment marks** from a **previous session will not be** considered if a learner has attempted the assessment for the same subject before. **Learners must freshly attempt the internal assessment** for both regular and backlog subjects (if applicable) on the LMS in this **current exam session for their marks to be valid**.
